

## FOR IMMEDIATE RELEASE

Theatre Aspire - Sofia's English Speaking Theatre will be presenting 3 Tales from Mother Goose. This show is children's theatre, but will have plenty of laughs for the whole family. It was adapted for the stage and is directed by Mark Modzelewski (an American Theatre Director and Educator). The performances are free, but donations are welcomed.

Place: Summer Stage in Borisova Gradina, Sofia

Saturday 11 August at 11 am

Saturday 18 August at 11 am and 1pm

Show length is approx. 45 minutes

The three fairy tales for the performance are all from Mother Goose. The first is called the Magic Fairy, the second is Bluebeard and the third is the Ricket with the Tuft. These performances are suitable for ages 5+. Adults will enjoy them as well. There will be four actors playing over 20 different characters.

The Magic Fairy is about a fairy who grants good wishes to those who are kind and not-so-good wishes to those who are mean. Bluebeard is about a wealthy man with an ugly blue beard. He gets married and later we learn he has an evil secret, but just on time his wife's brothers save the day. The Ricket with the Tuft is about a very clever baby who is a bit unusual looking. When he grows up he meets a beautiful, but very clumsy woman and, after some challenges, they fall in love.

This is a new theatre company in Bulgaria.
